

Expectations of construction enterprises in III quarter 2023 regarding the development of their business activity

Construction confidence indicator¹

Assessment of the current order-books

(seasonal adjustment)

Expected changes in employment at construction enterprises

(seasonal adjustment)

Expected changes in prices of work performed by construction enterprises

Notes. Data for I quarter 2014 – I quarter 2022 exclude the temporarily occupied territory of the Autonomous Republic of Crimea, the city of Sevastopol and a part of temporarily occupied territories in the Donetsk and Luhansk regions, data from II quarter 2022 exclude the territories which are temporarily occupied by the Russian Federation and part of territories where the military actions are/were conducted.

The information for II quarter of 2022 – III quarter of 2023 has been compiled on the basis of reports actually submitted by enterprises.

¹ The indicator is calculated by the method of calculation of indicators of business expectations, approved by order of the SSSU of 03 December, 2021 No 301 (with changes).

Factors limiting building activity

(seasonal adjustment)

Availability of orders to construction enterprises

(seasonal adjustment)

Results of the survey of construction enterprises in July 2023

(per cent of the total number of surveyed enterprises)

Building (section F of KVED-2010)		Results of the survey of 300 enterprises						
		increased	remain unchanged	decreased	no response	balance	change of balance over II quarter 2023, pp	
How did your building activity develop in April-June 2023		41	31	28	0	13	49	
How do you assess your current overall order-books		more than sufficient (above normal)	sufficient (normal for the season)	not sufficient (below normal)	no response	balance	change of balance over II quarter 2023, pp	
		1	36	63	0	-62	8	
The future development of your business situation is currently		easy to predict	moderately easy to predict	moderately difficult to predict	difficult to predict	no response	balance ¹	change of balance over II quarter 2023, pp
		1	1	41	57	0	76	-2
